Dear Sir: Chaplain Clark

Hon Albion W. Tourgee.
Mayville, New York.

Dear Sir;
The Souvenir History of the 105th O.V.I. was duly recived. It is very tasty. I wish that I had as creditable one of Loomis Battery. Please accept many thanks for it. Pardon the delay in acknowledging the receipt of it. I have been waiting to recive the Basis so as to acknowledge the receipt of both at the same time. No. 1 of the Basis is the only number that has yet been recid by me. Whether the trouble is at the Post Offin in Hillsdale or at Buffalo, I cannot tell.

Dear Sir: I think a sample copy to the following named pusons in Hillsdale might win subscribers: Hon. Geo. F. Mosher. Pres. of Hillsdale Coll. Rev. Ransom Dunn, Rev. D. B. Reed, Rev. John S. Copp, Prof. Kingsley S. Batchelder, Prof. Geo. B. Gardner, and Prof. Charles N. Gurney, and Elon G. Reynolds Secy. and Treas. of Hillsdale Coll. all the others are Profs. of said Coll.

I remain very truly Yours
S. F. Dwight
