~~Today~~ Dear Wife ——

Do see if some editorial paper and return editorial envelopes and send down to me.

When you send the Subscriber envelopes, get return envelopes — that is editorial addressed envelopes — and subscription blanks in each.

There are some of the addressed ones on editorial headed paper here.

Arthur informs me that the subs, stock, and advertising received, make, altogether over $600 —

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

that is, the tenancies above and en-
gaged, amounts to over $600.

That is better than I thought,
Convinced all right — very pleasant
ride. Love to all
