Dear Sir

Yours Rec'd. on account of the
close times for money I am
handling horses at $16.00 per
month, payable monthly, & will
handle yours for the same if you
wish, you could let your man
ride a horse & lead her over
here & stay over night with me.
I don't know what you would
value an interest in her, perhaps
we could tell better later on.

Yours truly
John B. Gardner.
