The Enquirer Co.

509 MAIN STREET,

Editorial Room . . . Buffalo, July 6, 1895.

My dear Judge,

The proprietor of the Commercial is William C. Warren.

Sorry to learn of your sickness and hope it will not confine you as long as you fear. If there is anything I can do don't hesitate to call on me.

We have been trying to get the Basis circulating somewhat in our neighborhood and I have sent in some subscriptions and hope to have more.

Very truly

Edward H. Brush.
