Albion, W. Tourgee

Conrad My Brother Norris left here for California spent a year in Cal Nevada & Oregon late last-fall struck for City of Mexico & winter only staying there a few days as climate did not-agree with him then started east through Texas staying a short-time in the principal cities then to Hot-Springs Ark where he put in the rest of the winter and from there went to Philadelphia Pa and come direct-here to attend the Dedication of monument and as the weather was hot-here only stayed a short-time then started north he is now in Battle Creek Mich he will work his way east-from there perhaps to the atlantic coast during the summer stopping in Ohio a while & had not-seen him for more than a year and half when he come here the last-of-may He always keeps me posted as to his whereabouts & open his mail that comes here and forward to him anything I think of importance a few days ago The Basis came & seen nothing of such a magazine however we have got-interested in it-we are satisfied from known him better than

we do often this liveing
with us for 25 years
on and off and for six
years whilst with the
A.T.S.R.R constantly
he was a mere lad
when I left home
Thanking you for the
interest you take in
our monument (as it
is ours now) I will
subscribe for the Basis six
months I enclose one dollar
Please send me Back number
of Basis of July 6th for
balance Your articul ~~of~~
of the 6th is complimented very
highly by our best Judges of
good things in that line
Respectfully
