BRANCH STORE,
CHAUTAUQUA, N. Y.

July 16. 95

Dear Madame:-

Your favor is at hand.
Not getting a reply to our
letter last year we concluded
that everything was satisfactory.
Of course it is your privilege
to make the price what
you please on the books
and whatever you say will
be satisfactory to us but
we want to know before
we call them what the
price is to be. When you
send the books over, send
with them a regular bill
and then we will know
