Dear Sir

I am in receipt of your favor & replying would say that I am willing & prepared immediately to cause to be erected a good wire fence that will turn

stock upon [illegible] of the line in the place of My old
rail fence, I no doubt if this is done the same builder
would be glad to continue the fence the entire length
of the line, I will look into this matter and let you
know what can be done — A good substantial
wire fence the whole line would probably shut
out the contending subject, and put a stop to
the alledged cause of unpleasantness,
Thanking you kindly for your favorable notice
and proposition to meet half way in the matter
I Remain Yours Very Cordially
