SC 1445

Baraboo Wis July 21/95

Dear Mr Gourgie

I send you the inclosed from the Milwaukee Sentinel of 20th inst that you may learn I am trying in my poor way, to do a little towards the correction of the wrongs against colord people and the establishment of right and justice in our land.

Am not successful as yet in adding to the Sect. list of the Bars at this point - but hope you are heavy bills. success in localities generally

Yours Sincerely

Chas. H. Williams
