when we consider what that
a boy of twenty three yrs - had
undergone - can we not feel
our Republic dearly bought?
I would ask you & vote!
his ancestry for how the
vote would vote in that
happy time. the fourth
year of the war -
I enclose ten dollars - as
subscription & the Basis
do not return any change -
you how has been his
the cost of humble his
ans - my letters, always
in reading them, I
recall the story, by
express - I was in
hopes the exchange
could be made - Can
I must enter for prize!

I wish to ask you if in
the history of Co B. 10th
you have any child of
Corporal, John A. Ewalt -
he was a dear good boy - a
neighbor of ours - a faithful
friend & if he is not
mentioned, his Father
Mother are living - & the
funk [illegible] security
his himself, as do the
name of the Rev's - & the
Rev's Ewalts, have
been neighbors since 1861 -
& lived side by side - & are
kind the same - I held
the ink bottle while he
signed the Enlistment roll -
& assigned the Casket - after
he came in hopes for
the hospital - at Savannah -

& I guess I'm all of his
consumers - as is his
Santo, please let me
hear if you will do it - if
only a few lines - I feel
ill due his dear Santo,
& the young nieces & nephew -
who so early stood his friends
with flames —
Hoping your health does
not fail you very suddenly -
that you will be
successful in the
publication of this history
I am
Most truly yours
E. R. Beebe
