Dear Judge -

I desire to thank you for all the kindness & generosity you have for us, but I have not been able to write yet - will do so Sunday. Am sorry, sorry that you have again been ill. We hope that you are now well & able to resume your work on The Basis. I pray The Basis shall live & prosper. Am exceedingly sorry that I am so tied up here that I can give no help. Enclosed find m. o. for $2.50, which I took out nine mos 15 days. Please to send The Basis to J. S. Garcia, #1219 St. Philip

Street, bet. St. Claude & Liberty Sts., this city. The rest is for Basis sold up to date. I have not received any chas since No. 13. I had three or four people who took it regularly every week, sometimes sold one or two more. I forgot to say that Mr. Garcia wants his subscription to start from the first issue & he wants any back number. I have another party who also wants from No. 2 to No. 6 inclusive. He has been taking it regularly from me, but has not these as I have not received any of them except the exchange.

Now you generously offered us The Basis gratis for a year for every new subscriber. I thought & sure we would make a few subscribers on that, but thus far I secured one — W. H.

Hardy of Scranton Miss. Wrote
a complimentary on the race! Easy to
send him the paper. But, dear
Judge, I cannot accept this most
generous offer ~~of~~ terms. I propose
to give you $1. or at least half
of your subscription price. In
this case, the agent who secured
the subscription began by ~~to~~
retaining his commission and
then remitted the balance
quite patriotic. I do not remit
anything on it in this letter because
this M.O. was already issued when
it was received.

I ~~[illegible]~~ received
the engravings in good order. I thank
you again from the bottom of my
heart for this generously. A splendid effort

can never repay your kindness to us. I think the likeness good.

Our case in U. S. Supreme Court is docketed for next term. Suppose you saw it.

Yes, my wife & child are in Chicago. Note what you say about Prof. Pierce & Mrs. Pierce. He has written to me & I will write to him. Has he gone to Lima already?

I will write you Sunday. Get well & don't be sick. Don't be despondent. It saddens me to receive your last letters. I hope you never had cause to be despondent. You must get well & live. We need you yet. This is selfish — but then we love you too.

Please to present my respectful regards to Mrs. Tongue.

Sincerely yours

L. A. Montrat
