Dear Sir:

I have been trying to get money to send you, and cannot in this short time named. I think however that I can get part of it in two weeks - and will send it to you.

I have been trying to catch up but Everything seems to go backward still I will get there anyhow. I have been sick since coming here and that made a vast deal of difference with my getting for - and I do not get big pay but I looks if I would soon be doing better.

Yours truly

E. E. Smith
