Dear Friend Singer

Referring to yours of the 11th last would say. "I am not troubled about Bro Singer" I am what I can learn of him by his friends & take side with him — Have just read your article in the "Basis" of July 20. — There is policy in war Tis said, shall there not be in religious work? — Please read Rom 14. - 10-12 —

Sincerely yours A L Moffell
