Judge Tourgée.

My dear Sir,

As Mr. Arthur McGerald has returned, I informed him of your wishes in regard to the complaints of not having received the Basis. He promised to let you know about the matter.

I enclose the only copy left by Mr. Peirce. I kept it out of this week's Basis, not knowing how it would suit your views. If anything else comes from him, I will send it on to you.

We could not "lead out" the article "Very Plain Words," after all, as there was so much other matter. With many kind wishes for your speedy return & health.

I am
My dear Sir
Yours most sincerely
John Walker.
