copy of the Constitution and a form of application. I wish I could obtain also, the lesson leaves to September, so that I could make something of a study of the subjects and be more prepared to interest the people in the subject of good citizenship. I am a Negro and my work will be among them, among the masses.

You will do me a favor if will kindly let me know if I may obtain the lesson leaves.

I remain
Yours truly,
A R Mayo.
