Dear Sir

Your very kind favor of the 26th inst came to hand Monday. Many thanks. I shall undertake to do the best I can about preparing articles, though I fear I may have some difficulty in getting cuts. I have written to Hampton and Tuskegee asking for a cut showing some of their industrial works, from which places I hope to hear soon.

In my first article I hope to give something of the origin of Colored

Institutions, touching principally those foremost in industrial work, hoping to embrace Atlanta Univ, Tuskegee and Hampton.

If you have any further suggestions to make, please advise me

Very respectfully
Your obedient servant
Geo. W. Mitchell

P. S. If satisfactory progress is made, I think I may be able to get some subscribers also.
