led to the examination which I have been engaged in for more than 3 years regarding the water supply and condition. I have at various times in my examination which seem to throw out a conclusion I have long since found - that the supply ~~immediately~~ is gradually lessening. Not more than one-third, I guess a coal black Negro with a ~~white~~ Negroid cast of features. I see frequently cases often in my practice that in common parlance, I have ~~drunk~~ them and in a recent case somewhat to a man to day the colour - temple and eyebrows is high mortality and a very

[illegible] - I found the following ~~[illegible]~~ and like
to learn the significations - I send it to them
chronologically. Of course
I intend to discuss the words
from a practical standpoint
& have appended such sugges-
tions as I thought most
in the interest of
the constitution - When you
receive the pamphlet
you will have an opportunity
of judging as to how
I succeed for my lectures,
you see - I will have a
