H. C. Warren, Prop. The Commercial
Buffalo N.Y.

My dear Sir: I have been much gratified at the appreciative allusion you have made of The Basis & its editor. I had hoped to see you this last week, but have been unable to make my weekly trip to Buffalo.— being confined by illness & my ~~last~~ but ~~week~~ which from whence this letter is dated. I have undertaken too much, — having had the entire charge of the matter, — business & editorial, — connected with the Basis from its inception. I think I have proved that there is a place for such a periodical, — and that ~~the~~ the Basis deserves & should be made a great ~~success~~ success. ~~a great journal~~ The Journal ~~and a~~ financial success, ~~and~~ ~~the~~ ~~business management~~ ~~devoting~~ ~~myself~~ ~~exclusively~~ to the editorial & literary interests of the

Journal. - I ~~thought~~ have had
you in mind for some time - ~~thank~~
you might be induced to take
a hand in the enterprise -
