Mr. Albion Tourgee,
Buffalo, N. Y.

My dear Sir:

Thanks for your encouraging letter. I will endeavor to prepare an acceptable article for the Basic as soon as I return from my vacation, which I am to spend with my brother in Dayton, N. Y., which, I believe, is not far from Mayville. Possibly I may have the pleasure of meeting you before my return. I shall do what I can to assist in the circulation of the Basic. Wishing you success,

I remain,

Yours sincerely,

S. P. Thrasher
