Judge Albion Tourgée,

My dear Sir, I am sorry there should have been any mistake in the make-up of the Basis; but I thought you wanted to get in all the matter we had here. I gave my instructions to keep page 603 Klatting & Silva. banks Standing, and to insert it. He kept it standing but did not put it in. It will be in as you desire this week. and I will attend to your other directions. With kind regards

Sam

My dear Sir.

Yours truly
