Mrs Jongen

You have yet to pay for water in barn until Mar 1st 95

But I understand that you intend to have Sprinkling

The price for that as you will see by printed regulations is 5c pr foot front I measured by rule and found it to be 148 ft

The Rate for 6 mos. is $7.40 But by change you only pay for 5½ months that is from Aug 15th to Nov 1st 95

Am amt $6.97 cts This as in all cases is to be pd. in advance

Respectfully

A Seiple
