Dear Mrs Jennings

It is impossible for us to dispose of the turnips you the crowd is going so fast we fear by Monday there will be no one left to see the lot My Brother says to see you he has turnips enough to do us. You need not have the Man come over this Evening unless he has some engaged. I will make a tour of the stores. and see if I can get them to take some to morrow If they do I will let you know for us and you family Come over ~~to~~ Saturday Grand Army day and dine with us and I will pay you what I owe

Sincerely Yours
