Hon A. W. Longee

Dear Sir: I am a few days late but trust I am not at that account barred from the contest. I send enclosed the names of the additional eight (F) subscribers and Ch. Y. draft for $12.00. I want to be placed in the 4th Class. It is not popular I know to plead the cause of the Indian, the Chinaman or the Negro, but I feel that I can but cry aside and into the question of right on this disputed subject.

Respectfully Yours
J. C. Kauffman
