Beloit Dec 19th 95

My Dear Miss Longee

Your good Letter brought such sweet relief & made me unreasonable glad & a little vexed with myself for having let so much trouble about you when I had no need of it. Since then I have not been well enough to attempt going to church but I have come to a resolution & have concluded to stay through the holidays. We are 3 in from Beloit the sick are better but not well

The dear good Mrs Haviland sent me a Letter last week full of comforting words Her birth day is tomorrow & 5 years older than I am & she seems as energetic in her work of mercy as ever I shall be very anxious to hear of the safe return of the Judge Love to you all C.L. Burnett
