Beloit Dec 23d 1895

Dear Mrs Lourgee

My Brother left a will all to his wife her live time then a quarter share to me This I wish you to have & I would much rather have a bargain between us than in any way connected with the Will you can fix up an agreement to that effect & send it to me & I will sign & send back There was a little left to me of my Fathers estate that I never had It was in this way. In 1890 my youngest Brother died Left no will Father & Mother was then living & Brother was unmarried & lived with them In 1893 Father died then Brother told Sister that Father gave him all except 10 or 12 thousand dollars He paid her & Brother but never paid me We were all living here at the time I presume it out saved

P.S. Please write soon as possible for I am very anxious to know if it is brought in a gain it would be a relief to have it done so I can make out my mind to think of anything else but sick boys

If buisnes should call
any of you to Ithaca I
would like to have you
look up the Paddock record
back as far as 45 or 50
I would not like to have it
known that I had anything
to do about it (For a good reason
Bradford Aburg lives there
He is County Judge and
surrogate & a rellative
I almost thought well of
until 2 years ago him &
his wife & Daughter visited
here all went well till we
touched the color line that
reversed my opinion completely
His Clerk Eugene Terry my
Brother brought up. I dont
think there is a spark of honor
in him, but artful as a serpent
he has a bequest in the Bible
