My Dear Sourgee

I have reed Enquns for (20) twenty Copies of History bound in Morocco. I Suppose the price will be one dollar ($1.00) higher pr copy than our Contract rates on cloth Editions I have only received the Cash on one Book but learn from letters that the Boys are active in working the Matter up. I have represented the Matter here in town with Nothing To Show & think I can place about 50 Copies in all. There is only 5 Comrds line here, am More Encouraged than Ever All we Want Now is a few Hundred Books To begin with

I reed a letter fm Dr John Sadler Columbus O. Enquiring for Book & he would be pleased if you would return his Diary &c at Earliest Convenience

Randon Acknowledges recpt of his Sketches. Pleese write me Status of Case & oblige Yours truly
