As it happens I always have one of the Criterion mailing lists in my hands - and if that would do you any good I would send it to you, so that after we direct Ladd how arrived you could take the matter up yourself. I know the Editor of the Criterion very well indeed - also the advertising agent and if you think that any scheme I might be of use - I know that they would be willing and glad to say any number of good words for the "Basis".

I am writing my Lastily as it is just about time
