~~Office Chief Supervisor of Elections,~~

Eastern District of North Carolina.

A. W. SHAFFER,
Chief Supervisor.

Raleigh, N. C. Jany 12th 1896.

My Dear Mrs Tourgee.

I am heartily glad to learn by your letter just received that the Judge is comfortable and free from present danger. I can easily believe that he is obstinate. I should be obstinate too, cut off from everything that was good to eat. Who could wish!

It is not at all likely that the Company - whose agent he is reported, will pay the policy. I only ventured you to make a legal demand, and I do not know whether the presentation of Proofs of Death (and with or without assignment) with demand would be a good demand without the policy or not - but I think it would be. especially if accompanied with the statement that it will be surrendered upon payment. The Judge will be able to tell you - better than I - what will constitute a good demand in law, and whatever he says will suit me.

With Love to all I am

Very truly yours.

A. W. Shaffer
