Dear Madam:--

Your favor of the 13th inst. regarding the non-receipt of books by Mr. Chas.K.Radcliffe, Detroit, Mich., is received. In reply I would say that these books were sent to him by express at the same time the other orders were filled, over a week ago. It is barely possible that he received them just after he wrote you, so I have written to him to-day to see if they have arrived, and if not I will send a tracer after this package, and meantime send him another package.

Yours very truly,

S. McGerald & Son.
