Dear Judge:-

Your letter with enclosure just received. The amendments suggested will be incorporated in bill at the proper time. Many thanks again.

Mr. Beckam, chairman of the Judiciary Committee, tells me that the committee will hear you at 1.30 or 7.30 P.M., Feb. 5. Which time do you prefer? Let me know and I will do whatever else is necessary.

HOUSE OF REPRESENTATIVES.

COLUMBUS, OHIO.

Copies (marked) of my paper (Jan. 25th's issue) are in the hands of the members today & there is much favorable comment. No criticism thus far. The use of the part of Gov. McKinley's message relative to lynching &c., in the marked article referred to, seems to have been a wise move. That commends the bill strongly, according to comment heard thus far.

Sincerely
H. C. Smith.
