Dear Sir, Yours mailed 1st inst received. I wrote you a four page letter and, personally, mailed same with the sketches you sent me on the the 25th inst. Letter & sketches were sent in roll form, wire-sealed ends and mailed by me at the main post-office here about 5 p.m. the 25th ult. My name and address stamp was on the package. I have started investigation this day by the P.O. people. am very sorry the package has not reached you. I believe your address was correctly on the package. I weighed it and put enough stamps thereon according to my scale. Perhaps you may yet receive it — hope so.

I have read your letter. I think you might be able to do as you say. Your idea, if I understand it correctly, is very meritorious and, I believe, would prove extremely profitable if properly exploited.

You are not the only one afflicted with over-modesty. I have suffered from it too & realize to my sorrow sometimes.

Truly Yours
Chas J. Gooch
