Albion W. Tourgee,
Mayville, N.Y.

Dear Comrade — The six volumes of the History have now all been received. It is a splendid work of your brain. There may be histories and histories of other regimental organizations; but I do not believe there's one to quite equal this.

I have presented one copy to the library of Fairbanks Post #17 Dept of Mich G.A.R, the banner Post of this State, and the Post to which I now belong. It was received with hearty expressions of satisfaction. I wish I had means to myself place one of the books

in every library in the land.

If possible, with the condition of finances, I shall take further copies for gifts to friends in the future.

Yours in F. C. & L.
