COPELAND AND DAY
PUBLISHERS IMPORTERS AND VENDORS OF FINE BOOKS

69 CORNHILL BOSTON
188

February 12. 1896.

Dear Madam—

The stories by Alice W. Longer which you kindly sent to us have been carefully read with a view to publication in book form. And while we have found much in them to like, we do not, we regret to say, think that as a whole, the book would

from a satisfactory return

for our loans.

We are extremely ob-

liged to you for sending

the manuscript to us and

we heartily regret that our

decision must be against it.

Very truly yours

Copeland and Day

Wilson Douglas

P.S. We hold the manuscript

waiting further direction from

you.
