My dear Sir.

Your kind
mail was received this
afternoon and I was glad to
learn of your safe arrival at
home. Your letter should have
been answered. It is blamed
in this case: Mr Sweetland
being out. - Time the
mail is kept in my chair
Yesterday forenoon I mailed
it. I rushed down town in
the face of a severe storm
and finding a package of
letters awaiting me in the

CHAUTAUQUA COUNTY HISTORICAL SOCIETY 2008

office of Justice at the head
of the line, with Ford next
must be before taking
the letter from the envel-
ope.

I trust you will accept
our courtesy, and believe
me

Very respectfully

Frederic C. Hamilton
