Dear Sir:—

I saw in an issue of New Orleans Daily Crusader a few days ago an announcement of a book that you are soon to issue on Citizenship and Caste, to cover the different phases of Negro citizenship in the south, also the history of the to contagion "Jim Crow Car" era. As we are in the field of journalism we thought we would take up your offer of publishing the announcement twice for a copy. We publish 1,200 copies a

Will you please write us concerning it — whether you desire it published right away.

Hoping to hear from you at an early date, We remain

Yours fraternally,
