Cleveland O.
Feby 28. 1896.

PERRY-PAYNE BUILDING.

My dear Judge

The fact that
Mr Basil has arrived
for Feby suggests a
most royal reason
and I enclose $1.50
as a solution of
the Mystery.
The fine "Stonyo" came
duly also and I have
been thinking enough
to write and say how
much I have enjoyed
reading again what
you have written.

I think they bear evidence
of hard work and in
many respects the book is
a valuable addition to
the history of the war.
It makes me seem sore
sheer to think what
would have become of
us if Bragg had work
been as big a laggard
as Buell himself.
I hope you have
come through the winter
all right although I
believe it has not been
one of your kind
kind as the family.

In the Autumn Will is supposed
to be in the draughting office
at home. Our boys are
still at school and both
they and Madame
often inquire if you are
not coming this way
soon again. We will
always be glad to see
you and with much
love to you family
& yourself I am
Yours Sincerely
W. Robbins
