Miss. K. J. Sawyer
Mayville, Chq.

Dear Miss. Sawyer;

I feel very much flattered by the tenor of the articles by the Judge, & if I had any proper enlarged as I have hoped to be for this, I should like them. I have to give space to local matters & local correspondence in preference to anything else, & I am too crowded for room. My editorial department is literally jammed out of existence some weeks. So I cannot make to any regret accept what I mean. Much pleased most interesting matter. With kindest regards I am always Sincerely Yours. H. L. Sawyer
