Dear Sir- As Secretary of the above association I have the pleasure of requesting you to act as one of our three judges on thought and composition at our next annual contest.

The Inter-State Oratorical Association is made up of about twenty-two of the leading institutions of learning in the west and is one of the strongest college organizations in the world.

Should you consent to act the productions will be sent to you about ten days prior to our contest for you to pass judgement upon.

Hoping a favorable reply in the near future

Very truly Yours

Saml L McCune.
