My Dear Sir:-- Your recent date addressed to me at Youngstown was duly recd. and I thought it would be nothing more than right to acknowledge receipt of same. I handed your letter to Rev Mr Anderson who is the Pres. of the Men's Club and he will take the matter under advisement. What the outcome will be I do am not able to predict. I would like very much to have you come and would work hard to have you do so but I am going to live in Niles after the 1st prox. and will not be on the ground to work the matter up. Hoping that my friends at Yo. will see their way open to accept so liberal an offer and give you a "call". I would remain

Very Truly Yours

I enjoyed the "Story of a Thousand" very much. I dropped out at the battle of Perryville.
