Speakers Room,  
House of Representatives,  
Washington, D. C.      March 23, 1896.

Hon. Albion W. Tourgee,  
Mayville, N.Y.

My Dear Sir:-

I read your communication in the progress before you were kind enough to send it to me and very much appreciate it. I also very much appreciate its suggestion with regard to other matters. At present we are undergoing the results of the arrangement with the Associated Press whereby the facts of what is taking place in the different states is being very much mutilated and exaggerated

Very Sincerely Yours,

W B Reed
