Co. K. Tenyer-See

Dear Friend -

I acknowledge the receipt of the letter I sent Gen. Albin Tenyer - from Andrew Cherry Mason to one during the war - and thank him for returning the same to me & which I was perfectly welcome. I bought a copy of the Story of a Thread from Wm. Forbis - in Warren - as I had a desire to place him - who enlisted under my Captain John Reese -

So far I have not found time
to look over the work — but I
shall examine the work — as
having a record by one who
lived through that awful
struggle, & felt that fidelity
and courage to tell things
as they then were — and now
are — I send the Basic —
& mark there's two more lists
for names contained in the
for while they are considered
the preservation of the
nation — they are really — the
the most helpless — & obscure —
unity; the most despised
of the (Seeds —) of Creation —
Jesus Christ;
