Dear sir! —

~~This~~ morning we thought the matter over again before we mailed your letter.

Now as we had made other calculations, I let some of my money go so I have only ~~thirty~~ $30 left now, I could pay you that now, I suppose that would make our article safe and I would promise to pay you the other $20 the first of September. it may be that I can make it sooner, but I expect to turn off

fat hogs at that time
I would do the best I
could with the place
summer, perhaps I can
rent the pasture this
summer if something
else I would try
and have Mr. Ambrose
see to it.

Now Mr. Tongee I
ask you to do as you see
fit, now if you should
let us have the place
we trust that you will
not be hard on us if
sickness, or any thing shou
ld happen.

I will close, write soon.

Joseph Stoll.
