My dear Judge

Will you kindly send me a copy of the brief for plaintiff in Error in Pleasy v Jefferson recently decided in the United States Supreme Court. if you have one to spare. I have read carefully the opinion of Brown, Justice, from adverse which to be may have precedent & guide me, I cannot disabuse my mind of the opinion that the whole business is a mere mockery of the plain intent and meaning of the Constitution & Amendments. The obscurity opinion of Justice Harlan makes the other ridiculous if it were not for the badness of the whole business.

Yours Truly
