EVERETT HOUSE

UNION SQUARE, NEW YORK

25 Sept. 1896 = 6 pm.

My dear wife: Tonight for the first time, I feel really a little relieved.

I have got the written endorsement of my book, by the Committee, and an order for 1000, copies and check for the same.

Am to have one week's salary tomorrow, so I shall not be turned out of the hotel.

Am to Danville to speak on Tuesday next. May have to remain night and go to Erie so as to be there Monday. If so will come up home on Sunday and leave Monday morning. Yours

Milton.
