Dear Sir I must thank you for the very able manner in which you have conducted "The Basis", and the prompt monthly publication of the same to the present. It is such a great encouragement to pay in advance for experiments

Yours Truly

W. H. Harkaway

P.S.

Its ultraism in the first half of the year produced a controversy as to whether it was received or no. After your utterances was surprised that you spoke for McKinley, which is a consevative.
