Friend & Comrade

Permit me to say a word of commendation for the interest you take in the leading questions of the day.

Also the cause of the surviving Union Veterans of the war — Ohio is proud of the record of the 105th Regiment.

For myself I served under Banks & Canby in the Dep't of the Gulf — 7th Mass Light Artillery. Should be pleased to receive a letter from you if not too busy.

accept my best wishes remaining Yours in F C & L
