To the Equitable
Life Assurance Co
of the United States.

Your Policy #264.580
for $15,000. on the Life of E. W.
Longacre, was assigned on Sept.
25th to Joseph E. Temple of Phila
more Counsel. The assign-
ment, though in form abso-
lute, was actually as se-
curity for a debt. As it is pos-
sible that litigation may
take place in regard to

the issue, I wish to make some questions in regard to the issue and to ask to speak to [illegible] to obtain a copy of such policy.

In addition to what information may be elicited from such policy, I would like to ask the following questions:

1 — To what date were the premiums on such policy

paid by me and what was the whole amount of such payments?

2— At what date did Joseph E. Temple begin to pay such payments on premises? Have they been regularly paid by him or his representatives and is said policy still alive and in force?

3— What is the gross amount of said payments made

by each Temple and his representatives?

4— When will payments on each policy cease and will it afterwards be entitled to any share in profits?

5— Is it payable at the end of a term of years or at death only?

Please send copy of Policy to me at above address. Yours respectfully

William Lowrie
