HUNTER & CUMINGS,

PETROLEUM.

Tidioute, Pa. Jan 20th 1897

Dear Mr [redacted]

Yours of the 14th inst is rec'd and the suggestions receive my hearty approval. I am an Ironclad Republican, my wife has a friend - I will gladly do all I can and will try to secure some letters from prominent G.A.R. men in the State in behalf of the Judge's candidacy - I would think that Col. Perkins, who is I think a native citizen & friend of Major McKinley's, might render valuable help -

Yours truly

W. Cumings.
