The Inter Ocean.

Chicago, Feb. 8, 1897.

Hon. A. W. Tourgee,

Mayville, N. Y.

Dear Sir:--

I am very glad to know that your profound study of the ti... the discovery is to result in a companion piece to "Out of the Sunset Sea". This was one of the most popular continued stories The Inter Ocean has ever published, and I regard it as well worthy the preference which Professor Fiske gives it over "Westward Ho:" The Inter Ocean is very glad to be one of the syndicate to publish your new work, "Out of the Dragon's Mouth" beginning about the first Sunday in May.

Very sincerely,

Wm. H. Busbey

Managing Editor.
