Albion W. Tourgee, Esq.,

Mayville, N. Y.

My Dear Sir:-I was at Washington about a week. On my return I find letter of the 2d inst., and I enclose you a letter to the Honorable Secretary of State.

I find office seekers are many and the offices are few. Ex-Members of Congress, ex-Senators. etc., are there wanting diplomatic places and other places in our own organization.

Very truly yours,

H. C. Evans
