Hon A. A. Bongée
Marysville,
My Dear Sir.

We have read with interest your "Bystander's Notes" in Inter-Ocean of Feb. 23rd and thank you for what you have said. Three of our best men went to Washington in time to attend the Inauguration for the purpose of entertaining an Annexation Treaty. Mr McKinley viewed the representatives very

but of course, no definite will be known
for some time. Sherman
is not in favor of annexing
Hawaii and I think one
or two others in the Cabinet
are against it. I am glad
to see that you would be
willing to accept a place
in the foreign Service - why
could it be "Minister to Hawaii"
or how you set your
heart upon Moscow? If you
would only come - if you
will say that you would
come - we will form
purely official "Notes Ver-
bale" signatures to be sent
asking that you be appointed.

We do not
want some dear office
seeker but one who will
honor the office and prove
a safe friend in this time
of peculiar trust. I can
assure you that your
social relations would be
pleasant in Honolulu
where you are already
known through your
work; and you would
find life very agreeable.
The change from your
busy life to one of

Rose - for we never reach
here - might come in well
at your age.

Ever yours truly
E. J. Goodhue.
